New Bedford, Massachusetts- New Bedford Cable Access (NBCA) invites the public to attend an Open House on Wednesday, June 20th from 5:30pm - 8:30pm at the studio located at 918 S. Rodney French Boulevard. New Bedford Cable Access consists of three channels. Each serves a separate and specific purpose: Channel 17-Educational Access, Channel 18-Government Access, and Channel 95-Public Access.

NBCA staff will be on hand to meet and talk to the public about what they do. The facility is outfitted with outstanding new video editing and digital studio equipment. NBCA staff will lead demonstrations of the digital editing workstations used to create programming seen on Channel 17, 18, and 95.

Volunteer producers will also be on hand to talk about the rewarding experiences they've had while working on NBTv 95, New Bedford's Public Access Channel. Whether it's covering a government meeting, one of New Bedford's many festivals, a sports event at New Bedford High School or Greater New Bedford Regional Vocational Technical High School, or unique programming produced by New Bedford residents, New Bedford Cable Access is here to serve the people of New Bedford.
